#### TEAM FORMATION:

The Canyon View Little League Board of Directors recognizes the importance of children making new friends while participating in our league. We also understand the importance of well-balanced teams to promote good sportsmanship while helping to enhance a healthy level of competitiveness amongst the teams. Our league has adopted a general policy for the formation of minor league teams:

1. The first priority of the Board will be to try to balance skill level when forming teams. Player requests to be on the same team must be submitted to that division's Player Agent for AA Minors and below. These requests must be submitted by 2/15/17. AAA minors inter-league baseball division and above will be subjected to a draft for teams (no player requests allowed for AAA minors inter-league and above).
2. We will try to form teams with at least one school-mate (not class-mate) for each player. This may not be possible for children that attend private schools or register after team formation. Team rosters will be formed from players attending at least two CFSD elementary schools.
3. Team rosters from prior years will not be taken into account when forming teams.
4. League policy allows two coaches to pair up and be assigned a team (pending approval of the Board). The children of the two coaches will be placed on this team, provided they fall in the age bracket for that division.

#### **Major, 50/70 Baseball Division, and Junior Baseball/Softball Divisions:**

Majors, 50/70 Division, and Juniors teams will be formed by draft selection per Rulebook and Rule Committee guidelines.
